

CLOSED CIRCUIT CAMERAS ON BUSES

ALL VEHICLES ARE EQUIPPED WITH CLOSED CIRCUIT CAMERA MONITORING

In the event information is required to be obtained from the recordings on the cameras, a few key steps must be taken prior to retrieving the data.

- **Communicate with the Operations Supervisor or the Maintenance Manager on the reason for pulling data**
- **WAIT**
- **Management to obtain written approval from the Yukon Government**

AUDITING

Cameras can be audited twice annually to ensure proper functioning of the system.
